May I please get an update on the status of the PRB's verification that I changed the two words in my manuscript as the PRB requested?

Dear James/Bill:

We are verifying changes have been made and will respond.

The CIA Publications Review Board has received your manuscript for prepublication review. We will notify you of the Board's decision as soon as the review is completed.

We make every effort to complete our reviews as quickly as possible and attempt to meet reasonable deadlines. Reviews usually take 30 days or fewer, but will likely take considerably longer if the manuscript is lengthy, if issues presented are complex, or if the manuscript must be referred to another U.S. Government entity or entities (e.g., NSA, NSC, NGA, NRO, DIA, DoD, DoE, ODNI, etc.), due to equities involved. Books are taking many months to complete.

The Board appreciates your cooperation with prepublication review. The PRB may be contacted at [redacted] if you have any questions or if we can be of further assistance. (b)(3) CIAAct

Please include [redacted] on all messages in order to ensure appropriate and timely action is taken. (b)(3) CIAAct

All,

Attached is a pdf reflecting the only two galley changes the PRB requested I make. They were to (b)(3) NatSecAct
[REDACTED]

Also, included for review is the "About the Author" blurb that the PRB requested.

I appreciate the PRB's help and look forward to quickly receiving notification that our project has been cleared for publication.

Thank you,
